## **Craving His Seed (Taboo Erotica) (Man of the House Book 6)** Lorna Lollee

Christie's first year at college is not going well. Her boyfriend dumps her, she's behind in her studies and her diving coach lets her know she's in real danger of losing her athletic scholarship.

She makes a quick trip home hoping to get her head together and finds herself renewed by time spent with Lance. He's always been a special older man in her life - watching over and guiding her. But during her visit she's forced to come to terms with the attraction that has always existed between them.

And when Lance, a former champion diver himself, helps Christie with some extra coaching, their love for each other explodes...even after they realize they have an audience!

An erotic story of forbidden love acts between a rich, athletic, mature man and an innocent and inexperienced young woman including public baby-making. All characters are consenting adults over 18 and not blood related.
