While out for a walk with her mom, a little girl has the surprise of her life -- she meets a real, live, fire-breathing dragon! Now this dragon is nothing to be afraid of -- in fact, he's so friendly that she invites him home for tea. But their afternoon snack is suddenly interrupted when the dragon sneezes and sets the table ablaze. Luckily, the girl knows just what to do, and she teaches her new friend to be fire smart, too. With its funny, rhyming verse and spunky illustrations, Dragons for Tea shows kids that learning about fire safety doesn't have to be scary. The story ends with "The Dragon's Fire Safety Rhyme" -- a fun and easy way to remember what to do in case of fire.
