## **Oracle Fusion Financials: General Ledger 2014 Essentials**

The questions in this book are similar to the ones asked in the actual Test.

How should we know? We know, because although we have been working as Fusion Consultants for many years, We have recently certified with the latest version of the test.

Before you start here are some Key features of the GL Exam.

- This certificate builds on the basic knowledge gained by a consultant and preferably refined by practical experience within a project team and the consultant can implement this knowledge of the specialist areas practically in projects.
- The Questions are multiple choice type and there is NO penalty for an incorrect answer.
- You are not allowed to use any reference materials during the certification test (no access to online documentation or to any Oracle system).

Clearing the Certification will not automatically lead you to a job.

However a Certification with some project experience will certainly open a lot of doors for you.

So if you have little or no experience, you should get yourself certified, get some project experience, and then the whole of the Oracle ConsultingWorld open for you to explore.

Helping you with the first step on you ladder to success is this book!

### **Some UNIQUE features of this Book:**

- There is NO Other material in the market for the Oracle Fusion Financials: General Ledger 2014 Essentials Test.
- The authors have themselves cleared the exam.
- All questions are multiple choice format, similar to the questions you will get in the actual exam.
- Over 180 authentic questions, testing the exact same concepts that will be tested in Your exam!
