The Son of Man Debate: A History and Evaluation (Society for New Testament Studies Monograph Series)

Delbert Burkett

The Son of Man Debate: A History and Evaluation (Society for New Testament Studies Monograph Series) Delbert Burkett

The expression "Son of Man," used in the Gospels almost exclusively by Jesus, has been the object of intensive study since the Protestant Reformation, yet scholars have failed to agree on its origin or meaning. Because of the scope and complexity of the literature, no comprehensive survey of the subject has been written in the twentieth century; Delbert Burkett's study fills this need. It provides a comprehensive historical overview of the debate from the patristic period to 1996, evaluates that research, and summarizes the present state of the question.
