Things Organized Neatly: The Art of Arranging the Everyday

Austin Radcliffe

Things Organized Neatly: The Art of Arranging the Everyday Austin Radcliffe

Based on the Webby Award–winning Tumblr site, *Things Organized Neatly* is thoughtfully composed of everyday objects, all displayed beautifully for the neat freak. *Things Organized Neatly* takes the messiness of the everyday world and recasts it in neat and appealing designs. On one page a massive collection of cellphones from the past twenty years is laid out on the floor and photographed from above; on the next, a collection of candy is pleasingly arranged by color. *Things Organized Neatly* capitalizes on our current obsession with photographing and cataloguing all the objects that we interact with on a daily basis. It has many images of food laid out in visually appealing, often humorous designs, as well as images of GI Joes standing at attention and old Nintendo cartridges arranged in the colors of the rainbow. Whether you're a design aficionado, an obsessive cleaner and straightener, a social media maven constantly documenting your day, or someone just looking to be swept away for an afternoon in a book full of beautiful images, *Things Organized Neatly* offers every reader a chance to revel in the beauty of everyday life.
