Try Dying (Ty Buchanan Legal Thriller #1) James Scott Bell
She was the woman he was going to marry...

A man shoots his young wife to death. He drives to a freeway overpass, gets out, shoots himself, and drops 100 feet to the freeway below, crushing a Toyota Camry. Inside is an elementary school teacher named Jacqueline Dwyer, who dies at the scene.

Ty Buchanan is a hotshot lawyer. Jacqueline Dwyer was the woman he was going to marry.

Ty goes into a tailspin. And it gets worse when a mysterious man finds him at the funeral and says Jacqueline's death may not have been an accident after all.

In fact, she may have been murdered.

Now Ty Buchanan will risk everything, including his skyrocketing career, to find out what really happened to the only woman he ever truly loved.

That is if he can stay alive. Because someone out there does not want him to know the truth.

From the high-rises of the city's most powerful law firms to the mean streets of gangland L.A., Try Dying is a blistering thrill ride in the finest tradition of modern noir.

“Bell, an attorney turned prolific novelist, has created in Buchanan an appealing and series-worthy protagonist, and the tale equally balances action and drama, motion and emotion. Readers who pride themselves on figuring out the answers before an author reveals them are in for a surprise, too: Bell is very good at keeping secrets. Fans of thrillers with lawyers as their central characters—John Lescroart and Phillip Margolin, especially—will welcome this new addition to their must-read lists.” – Booklist
