The Faces of Evil continues with book 8! Deputy Chief Jess Harris knows her time is running out. Somehow she must protect the people she loves and any more innocent victims from the serial killer obsessed with her. Is sacrificing herself the only way to stop this evil? A child is abandoned on a downtown Birmingham street. The little blond-haired, brown-eyed girl could be Jess's child. A note is attached to the little girl's pink dress: Take me to Deputy Chief Jess Harris. Can Jess and her major crimes team find the little child's mother before it's too late? The search for the truth leads Jess to a farm outside a small Alabama town where someone has been planting bodies for decades. Has Jess discovered a serial killer more prolific than Eric Spears? Even more terrifying, is this killer somehow connected to Jess?
