Duty from Ashes (Honor and Duty) (Volume 2)

Sam Schall

Duty from Ashes (Honor and Duty) (Volume 2) Sam Schall

Duty calls. Honor demands action. Major Ashlyn Shaw has survived false accusations and a brutal military prison. Now free, she finds her homeworld once again at war with an enemy that will stop at nothing to destroy everything she holds dear. Duty has Ashlyn once again answering the call to serve. She has seen what the enemy is capable of and will do everything she can to prevent it from happening to the home she loves and the people she took an oath to protect. But something has changed. It goes beyond the fact that the enemy has changed tactics they never wavered from during the previous war. It even goes beyond the fact that there is still a nagging doubt in the back of Ashlyn's mind that those who betrayed her once before might do so again. No, there is more to the resumption of hostilities, something that seems to point at a new player in the game. But who and what are they playing at? Will Ashlyn be able to unmask the real enemy before it is too late?
