Naomi Novik

## His Majesty's Dragon: Book 1 / Throne of Jade: Book 2 / Black Powder War: Book 3 (Temeraire Box Set) Naomi Novik

Naomi Novik (b. 1973) studied English Literature at Brown University and did graduate work in Computer Science at Columbia University before leaving to participate in the design and development of the computer game Neverwinter Nights: Shadows of Undrentide. During her time working on the game in Edmonton, Canada, she realized she preferred the writing to the programming, and, on returning to New York, decided to try her hand at novels. This set includes the first three books in the Temeraire series all released in 2006. The dragon Temeraire was meant for the Emperor Napoleon himself and promises to grow into no ordinary creature. The main protagonist, Captain Laurence, is a satisfied man with a respectable commission aboard the ship Reliant. His career is born from a love for the sea and he takes his duty very seriously, but he must take his place among the aviators and learn to harness the dragon's strength. Laurence is assigned to Temeraire, but there are documents found with him - documents addressed to Napoleon from the greatest, most skilled dragon-breeders in the world - the Chinese. Now China has discovered that its rare gift, intended for Napoleon, has fallen into British hands - and an angry Chinese delegation vows to reclaim the remarkable beast. But Laurence refuses to cooperate. Facing the gallows for his defiance, Laurence has no choice but to accompany Temeraire back to the Far East - a long voyage fraught with peril, intrigue, and the untold terrors of the deep. Yet once the pair reaches the court of the Chinese emperor, even more shocking discoveries and darker dangers await. After their fateful adventure in China, Capt. Will Laurence and Temeraire are waylaid by a mysterious envoy bearing urgent new orders from Britain. Three valuable dragon eggs have been purchased from the Ottoman Empire, and Laurence and Temeraire must detour to Istanbul to escort the precious cargo back to England. Yet disaster threatens the mission at every turn.
