## **Political Matinée: Hollywood's Take on American Politics**

*Political Matinee: Hollywood's Take on American Politics* is a fresh approach to teaching politics. This anthology presents readings on a broad array of topics related to American politics on film, including film history, film genres, and analysis of film. A guide for students to use when analyzing films for political content, this text covers timely topics such as political ideologies and institutions. Select readings also show readers how to effectively write about films.

With a mix of both contemporary and classic readings, *Political Matinee* provides a comprehensive selection of highly-relevant source materials. This is an ideal text for courses that examine the ways in which films depict politics in the United States, and it provides invaluable fodder for lively classroom instruction and discussion.

**Richard Herrera** is an Associate Professor of Political Science at Arizona State University, who specializes in American politics. He has been teaching American Politics and Film online and in the classroom for many years, as well as other courses in American politics and American political parties.
