THE NATURE OF MIND READING.

ONLY a few years ago the general public was in almost total ignorance of the great truth

of Thought Transference, Thought Projection, Telepathy, or Mind Reading. It is true that here and there vied to be found a few scientists earnestly investigating and eagerly uncovering the hidden truths concerning the subjects. But the mass of the people were either entirely ignorant of the subject, or else were intensely skeptical of any thing concerning the matter, laughing to scorn the daring thinker who ventured to express his interest or belief in this great scientific phenomena.

But how different to-day. On all hands we hear of the wonders of Thought Transference, or Telepathy, as it is called. Scientific men write and teach of its fascinating manifestations, and even the general public has heard much of the new science and believes more or less in it, according to the degree of intelligence and knowledge concerning the subject possessed by the individual. Listen to these words from the lips of some of the greatest scientists of the day.

Prof, William James, the eminent instructor at Harvard University, says: "When from our present
