Robert Browning - Poems Robert Browning

Robert Browning, a towering poetic presence of the Victorian era, was hailed by Henry James as a tremendous and incomparable modern. The sheer immediacy and colloquial energy of his poetry ensure enduring appeal. Browning paints landscapes both suburban and sublime, combines lyric and demotic language, and introduces everyday events of the streets and marketplace into the rarified world of Victorian poetry.

This comprehensive selection includes over eighty of his shorter poems, amongst them his most famous and best-loved dramatic monologues, as well as the complete text of many of his longer poems.
