*Wine her, dine her...then untie her.*

*Windy City Kink, Book 1*

Sasha Bendel is a bundle of nerves as she knocks on the door of a Gold Coast penthouse. Her landscape design business took a hard hit when one of her biggest clients defaulted on his payment, and she desperately needs this rooftop garden design project to get back in the black.

But when her potential client answers the door, she's stunned. It's her old high school boyfriend, the one her wealthy parents ran out of her life when they were discovered engaging in some youthful exploration of bondage and discipline.

Twelve years ago, Jack Grenville let Sasha's powerful father intimidate him into giving up the love of his life. With the help of a sensei, he's overcome his obstacles and accepted his sexual dominance. Now he's back in Chicago to claim what's his—Sasha.

One look at Jack brings back all the forbidden desires Sasha's put on lock-down since that shameful night. No way can she turn down this money-is-no-object job...but can she resist Jack's no-knots-barred determination to recapture her heart?

Warning: This book contains a woman with a sweet tooth, a man with a sweet obsession, a cupboard full of bondage rope, and some not-so-sweet kink.
