The Lynchings in Duluth: Second Edition Michael Fedo, William Green

On the evening of June 15, 1920, in Duluth, Minnesota, three young black men, accused of the rape of a white woman, were pulled from their jail cells and lynched by a mob numbering in the thousands. Yet for years the incident was nearly forgotten. This updated, second edition of *The Lynchings in Duluth* includes a new preface by the author, additional research and notes, and suggestions for further reading.

"This account of racial violence in the early twentieth century is a genuinely startling and illuminating contribution to our understanding of racial justice in the United States in the twenty-first. Many Americans have found it convenient to think that episodes like this come only from the Jim Crow-era Deep South. *The Lynchings in Duluth* is a powerful reminder of the broader American pattern." -- James Fallows, *The Atlantic*

"A chilling reconstruction of a 1920 racial tragedy. . . . Combining hour-by-hour, day-by-day narrative with expert scholarship based on interviews, suppressed documents and news reports, Fedo skillfully portrays Northern prejudice and violence." -- *Los Angeles Times*

"This tense book punches out a story of devastating fury. . . . As pointed as a Klansman's cap, this book conveys the horror of mob action--and the disturbing truth that it knows no region." -- *Milwaukee Journal*
