## **Walden (Yale Nota Bene) Henry D. Thoreau**

This handsome, affordable paperback edition of *Walden* is the most authoritative version of Henry David Thoreau's classic American literary masterpiece to date. Jeffrey Cramer's newly edited text is based on the original 1854 edition of *Walden*, with emendations taken from Thoreau's draft manuscripts, his own markings on page proofs, and notes in his personal copy of the book. An elegantly produced paperback, it has been priced especially with the student market in mind. An introduction by Denis Donoghue places Thoreau's life and achievement in context. Also included here are notes on the text, an afterword by the editor, and a helpful selected bibliography.
