**When you control minds, only your heart can be used against you.**

Eight months ago, Kira Moore revealed to the mindreading world that mindjackers like herself were hidden in their midst. Now she wonders if telling the truth was the right choice after all. As wild rumors spread, a powerful anti-jacker politician capitalizes on mindreaders' fears and strips jackers of their rights. While some jackers flee to Jackertown--a slum rife with jackworkers who trade mind control favors for cash--Kira and her family hide from the readers who fear her and jackers who hate her. But when a jacker Clan member makes Kira's boyfriend Raf collapse in her arms, Kira is forced to save the people she loves by facing the thing she fears most: FBI agent Kestrel and his experimental torture chamber for jackers.
