Jeanette Williams:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well

as to make summary for some guide, they are complained. Just little students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
