On the Shores of Darkness, There Is Light Cordelia Strube

Harriet is eleven, going on thirty. Her mixed media paintings are a source of wonder to her younger brother, Irwin, but an unmitigated horror to the panoply of insufficiently grown up grown-ups who surround her. She plans to run away to Algonquin Park, hole up in a cabin like Tom Thomson and paint trees; and so, to fund her escape, she runs errands for the seniors who inhabit the Shangrila, the decrepit apartment building that houses her fractured family.

Determined, resourceful, and a little reckless, Harriet tries to navigate the clueless adults around her, dumpster dives for the flotsam and jetsam that fuels her art, and hopes to fathom her complicated feelings for Irwin who suffers from hydrocephalus. On the other hand, Irwin's love for Harriet is not conflicted at all. She's his compass. But when fate intervenes, it's Irwin who must untangle the web of the human heart.

Masterful and mordantly funny, Strube is at the top of her considerable form in this deliciously subversive story of love and redemption.
