As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The American Revolution can make you sense more interested to read.
