It starts with hope. That's what LGBTQ Centers all over the world give us, the hope, the community, the care and education we need in a world that is often hate filled, scared of the unknown, and downright scary. When first introduced to community many of us rejoice as it's often the first time we're able to be out and be our true selves without fear or shame. This anthology is for the benefit of one such center, one that touches many many lives, and like others, needs help and nourishment as well. Centers like the MKE LGBT Community Center depend on the love and support of others so that they may help and support us. Within this collection of stories, you will find hope, family, love, and community. Take a chance on a new author or one of your beloved... read, enjoy, and know that you are helping children, adults, teens, and elderly alike in our greater LGBTQ community! One hundred percent of the income from this volume goes directly to The MKE LGBT Community Center in Milwaukee, WI USA.
