**Jack Reacher is out there. Jack Cameron is in pursuit.**

The only thing that Jack Cameron finds worse than the long day that he has had trying to hitch a ride on a long, lonely stretch of Route 66 between Texas and New Mexico is the car that comes barreling down the road at high speeds and then almost runs him over.

After barely missing Cameron, a car crashes into a tree.

Cameron rescues the driver and calls an ambulance for him. Only the driver is not what he seems and Cameron is sucked into a mystery that leads him to small roadside town and a twenty-year-old witness protection case.

Jack Cameron is left alone to protect a witness that has no idea that an old enemy is after her. And Cameron has no idea who the enemy is, but he knows one thing that they are right behind him.
