ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

-- Written for students taking the principles of economics course. By presenting ideas clearly, at an accessible level, and in the context of newsworthy applications, *Economics Today: The Macro View* is also a valuable resource for professionals seeking a current, real-world introduction to economics.

***Economics Today* —Bringing the Real World to Your Students**

Students learn best when they see concepts applied to examples from their everyday lives. This new edition of ***Economics Today*** covers leading-edge issues while lowering barriers to student learning. The text relentlessly pursues the fundamental objective of showing students how economics is front and center in *their* own lives while providing them with many ways to evaluate their understanding of key concepts covered in each chapter.

Each chapter begins and ends with an *Issues and Applications* feature, which introduces a timely issue in the chapter opener and analyzes the issue using the economic tools learned in that chapter at the end. This text is also available with MyEconLab®, which includes assessment questions that tie to these *Issues and Applications*, as well as ABC News video clips. With **MyEconLab**, students can continue working problems online and receive personalized tutorial resources. Visit MyEconLab for more information.
