Hold Your Own

Kate Tempest

Hold Your Own Kate Tempest

My heart throws its head against my ribs, / it's denting every bone it's venting something it has known since I arrived and felt it beat.

Kate Tempest, winner of the Ted Hughes Award for *Brand New Ancients* and widely regarded as the UK's leading spoken word poet, has produced a new poem-sequence of electrifying power. Based on the myth of the blind prophet Tiresias, *Hold Your Own* is a riveting tale of youth and experience, sex and love, wealth and poverty, community and alienation. Walking in the forest one morning, a young man disturbs two copulating snakes-and is punished by the goddess Hera, who turns him into a woman. This is only the beginning of his journey . . . Weaving elements of classical myth, autobiography and social commentary, Tempest uses the story of the gender-switching, clairvoyant Tiresias to create four sequences of poems, addressing childhood, manhood, womanhood, and late life. The result is a rhythmically hypnotic tour de force-and a hugely ambitious leap forward for one of the most broadly talented and compelling young writers today.
