## **Inside the Churches of Christ: The Reflection of a Former Pharisee On What Every Christian Should Know About the Nondenomination Denomination** Charles Simpson

The Pharisee of Jesus' day placed obstacles between lost souls and salvation in much the same way that modern day Pharisees hinder today's salvation seekers from accepting Christ. Inside The Churches of Christ reveals those obstacles as they are manifested throughout modern day Churches of Christ. Author, Charles Simpson, reflects an unmistakable Pharisaical attitude toward other Christians, Christian traditions and Christian institutions typical of those he personally witnessed as a 50-year active member of the Churches of Christ. Dozens of quotes from Church of Christ practitioners from all over the USA validate the legalisms prevalent within this group. Church of Christ readers will come away with a new perspective on the actual theology of their own brethren and the potential impact of that theology on other believers. All Christian readers will have a better view of the non-denomination denomination and gain much insight into the Church of Christ claim of being Christ's 'one true church'.
