mary arguments

Todd Van Buskirk

mary arguments Todd Van Buskirk

“mary arguments” is Todd Van Buskirk’s tribute to the Blessed Virgin Mary, by means of copying various Marian discussions from Wikipedia articles and pasting them into a Microsoft Word document to construct a novel. The result is a stream of Marian obsession brought together into one place, a subjective place of veneration, love, obsession, scholarship and ritual. The Blessed Virgin Mary is a one-pointed obsession of the author and this is his attempt to have her involved in his work.
