Flowers are probably the most popular choice of all cake decorations. The simplest representation of a flower is a cut-out shape. Other more interesting ways of representing flowers are to create fabric-effect flowers out of paste or to try your hand at creating lifelike flowers. There are many books written on the art of sugar flower making; LindySmith touches on this subject here, showing you how to make lifelike poppies and peonies, as well as fabric roses, blossoms and dahlias, and simple cupped flowers.
