The Long Road Back Mr John McGrath

Four strangers wake up, inexplicably, in a foreign desert with only an unending road for company. Personalities clash, stories are shared, and answers are sought as they journey through the wasteland, trusting that the road will lead them back home. In his thought-provoking first book, John McGrath presents the story that began as a simple idea in his 14 year old head many, many years ago. Designed as an intriguing tale rather than a heavy-handed lecture on human nature, "The Long Road Back" describes the conflict and the friendship that all people can share, even in the most bewildering of situations.
