Sometimes fate needs a little hand...

Santa Claus is going to have a rough season... Lauren Alexander is raising her daughter alone. Abandoned by her family for her decision to keep her daughter Kristen, she has done a pretty good job for the last six years. Or she thought she had. That's why she is crushed when little Kristen gives up her wish for a toy or goodie and instead asks Santa for a present for her mother. She wants Santa to bring a Daddy. Delivering Daddies isn't Santa's bag.

But this Santa has a plan...

Kyle Preston knows what it is like to be abandoned too. Luckily he found the support of loving adoptive parents and has turned himself into one of the most successful Real Estate developers in town.

Building a house is easy. Building someone's trust is a whole other story. But with a little helping hand, a little Christmas magic can make all the difference in the world.
