House Of Payne: Twist Stacy Gail

Tattooist. Artist. Dreamer.

Angel had been a schoolgirl when she came to House Of Payne, a displaced princess with only a fanciful imagination to her name. Now the world clamors for her designs, but that means nothing to Goth tattooist, Twist. Long ago she craved to see admiration in his sexy dark eyes, but after years of enduring his contempt, she's given up. Leaving the House feels like running, but Twist makes it impossible to stay.

Tattooist. Artist. Ex-Con.

Two words came to Twist's mind when he first saw Angel—jail bait. When he'd been released from prison for a crime he would commit again in a heartbeat, he'd nevertheless been determined to keep his nose clean. Too bad he couldn't stop from thinking about getting into the pants of the House's fairy tale princess. But with a past like his, he's no good for Angel. All he can do is watch over her from afar... whether she likes it or not.

When Angel is injured, Twist appoints himself as her personal caretaker. She soon discovers that beneath his arrogant façade lies the heart of a devoted protector. She's going to need that protection, as Twist's past has made an unsettling reappearance...

90,000 words

This is the third book in the House Of Payne series, but each book can be read as a standalone. Not intended for readers under the age of 18 due to adult language and sexual content
