## **One night of passion.**

After dumping her cheating fiancée, straight-laced Julia Hopkins decides to focus on herself for a change. A weekend getaway with a friend and one-night stand with a sexy stranger was exactly what she needed to kick off her new life. It was her chance to be someone else if only for a little while. But Julia's wild night comes back to haunt her when she discovers the identity of her sexy stranger.

## **One night he'd remember.**

Simon Shelton never forgot the passionate wild cat he'd met by chance, despite not even knowing her last name. She'd made quite the impression. So he was surprised when the quiet college professor his sister tried to set him up with turned out to be his Julia. Because of their past and the way she'd left without a word, Simon thought it would be best for everyone involved to steer clear of his sister's friend. But keeping his hands off the irresistible redhead was easier said than done.
