Tarot: The Astrological Layout: A Comprehensive Guide for Integrating Astrology, Tarot & Numerology J. Lawrence Maerz

This book is an innovative approach utilizing the Tarot cards, the astrological signs and houses and the vibration of numbers. Each house represents a specific set of personal issues and circumstances particular to each area of life such as relationships, traditions, career and more. Each of the face cards corresponds to an astrological sign. And the numbers give an overall “flavor” and direction for the interpretation to take. This method allows you to separate the issues with clarity in a way that the Celtic cross and other layouts can't. Timing is established through the separate layers and any person in your client's life can be found simply by counting to the appropriate house then simply reading the wheel as a new client. Learning this method will provide tremendous dimension and insight for your readings.
