The 14th Colony Exclusive Preview (Cotton Malone) Steve Berry

***THE 14TH COLONY* Exclusive Preview**

"Fifty-four Forty or Fight!" was a popular slogan that rose out of the early 18th century Oregon Boundary Dispute, a clash between the competing nations of England, the United States, Russia, and Spain over the territorial rights of the region generally associated with parallel 54°40'.

Steve Berry's *The 14th Colony* is a heart-stopping thriller about a Cold War warrior bent on revenge whose agenda depends on our fledgling nation's much-revisited secret plans to invade Canada and establish the United States' next territory.

What better way to revive this rousing refrain than by offering you 54% of *The 14th Colony* for free?

Better yet download this Exclusive Preview, answer a question about the plot, and you'll be eligible to receive a 40% discount off the full hardcover of the book when it's published on April 5th.

More on Steve Berry's *THE 14TH COLONY*

What happens if both the president and vice-president-elect die before taking the oath of office? The answer is far from certain—in fact, what follows would be nothing short of total political chaos.

Shot down over Siberia, ex-Justice Department agent Cotton Malone is forced into a fight for survival against Aleksandr Zorin, a man whose loyalty to the former Soviet Union has festered for decades into an intense hatred of the United States.

Before escaping, Malone learns that Zorin and another ex-KGB officer, this one a sleeper still embedded in the West, are headed overseas to Washington D.C. Noon on January 20th—Inauguration Day—is only hours away. A flaw in the Constitution, and an even more flawed presidential succession act, have opened the door to disaster and Zorin intends to exploit both weaknesses to their fullest.

Armed with a weapon leftover from the Cold War, one long thought to be just a myth, Zorin plans to attack. He's aided by a shocking secret hidden in the archives of America's oldest fraternal organization—the Society of Cincinnati—a group that once lent out its military savvy to presidents, including helping to formulate three invasion plans of what was intended to be America's 14th colony—Canada.

In a race against the clock that starts in the frozen extremes of Russia and ultimately ends at the White House itself, Malone must not only battle Zorin, he must also confront a crippling fear that he's long denied, but which now jeopardizes everything. Steve Berry's trademark mix of history and speculation is all here in this provocative new thriller.
