## The Ultimate Book of Vehicles: From Around the World

Vehicles, vehicles, vehicles—nearly 100 of them—in all shapes and sizes! A giant crane hovers over a construction site, a space ship roars into space. . . . Supersized spreads feature marvelously detailed illustrations that just beg to be pored over again and again. Best of all, lots of flaps, popups, pull-tabs, and rotating wheels bring the various vehicles to life. Readers will poke into a ship's hold, explore the innards of a garbage truck, and help demolish a house. Any child who's ever been intrigued by the roar of an engine will adore this extraordinary collection of things on the go, from the everyday to the nearly outrageous—yes, there's even a pooper-scooper scooter!
