Academic Skills Problems, Fourth Edition: Direct Assessment and Intervention Edward S. Shapiro

This popular practitioner guide and text presents an effective, problem-solving-based approach to evaluating and remediating academic skills problems. Leading authority Edward S. Shapiro provides practical strategies for working with students across all grade levels (K–12) who are struggling with reading, spelling, written language, or math. Step-by-step guidelines are detailed for assessing students' learning and their instructional environment, using the data to design instructional modifications, and monitoring student progress. The research base for the approach is accessibly summarized. The companion workbook, available separately, contains practice exercises and reproducible forms.
