The handsome black man looked deep into Heather's eyes: "You just come up here to flirt? Or do you mean business?"

Heather and Joel are about to make their wildest fantasy come true.

"I dare you."

Three innocuous words that are about to change Heather and Joel's life forever.

The husband and wife were at the *RapRevue* club in New York City for a very specific purpose - to make their fantasy of sharing Heather with a handsome black man come true. But when Heather makes the moves on a good-looking man sitting at the bar, she has no idea how quickly or easily everything is about to fall into place.

"It's not the first time I've had some hot little number like you come up and hit on me," the handsome stranger grins. "With her white boy husband sitting eagerly on the sidelines." He grins: "My buddy and I are about to take a ride uptown. If you wanna make *something happen*; hitch a ride with us."

Getting everything you want handed to you on a plate can be terrifying - but with the words "I dare you" still ringing in her ears, Heather embarks on the wildest sexual encounter of her life - sharing a limo ride with this handsome stranger, and his equally sexy friend - while Joel eagerly watches.

She's about to do things she's only fantasized about; and caught up in the heat of passion, cross lines she never thought she'd be okay with.

Sizzlingly sexy, *Dare* is a wild and uninhibited short story featuring a cuckold wife, an interracial threesome, bareback infidelity and a hot, dripping climax.
