Justice: Stories

Larry Watson

Justice: Stories Larry Watson

Larry Watson's bestselling novel *Montana, 1948* was acclaimed as a "work of art" (Susan Petro, *San Francisco Chronicle*), a prize-winning evocation of a time, a place, and a family. Now Watson returns to *Montana, 1948*'s vast landscape with a stunning prequel that illuminates the Hayden clan's early years and the circumstances that led to the events of *Montana, 1948*. With the precision of a master storyteller, Watson moves seamlessly among the strong and hard-bitten characters that make up the Hayden family, and in the process opens an evocative window on the very heart of the American West.
