Maine Lodges and Sporting Camps (ME) (Images of America)

Donald A. Wilson

Maine Lodges and Sporting Camps (ME) (Images of America) Donald A. Wilson

Beginning in the mid-1800s and lasting for more than a century, Maine boasted a large number of lodges and sporting camps that catered to the pursuit of outdoor activities. While the primary interests of guests were fishing and hunting, many of the larger, more expensive resorts offered a variety of opportunities, including golf, horseback riding, tennis, boating, archery, and hiking, and some boasted gourmet dining and elegant parties. While some of these establishments survive, many have been demolished, existing only in memory and in photographs. Maine Lodges and Sporting Camps tells the story of the most prominent destinations, featuring nearly two hundred historic images that depict the life that existed when Maine was a sportsman's paradise, abounding in trophy game and fish.

Jennifer McNab:

Reading a book can be one of a lot of activity that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new facts. When you read a book you will get new information simply because book is one of many ways to share the information or their idea. Second, looking at a book will make you actually more imaginative. When you reading through a book especially fictional works book the author will bring that you imagine the story how the figures do it anything. Third, you are able to share your knowledge to others. When you read this Maine Lodges and Sporting Camps (ME) (Images of America), it is possible to tells your family, friends in addition to soon about yours book. Your knowledge can inspire different ones, make them reading a e-book.

Kenneth Cunningham:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Maine Lodges and Sporting Camps (ME) (Images of America) can make you experience more interested to read.
