Detective Cashel 'Cash' Godfrey is big, tattooed and angry so people typically keep their distance. He's fresh out of the police academy, however, no one is looking to partner with the six foot four beast with a huge chip on his shoulder and an inability to trust. When Cash scans the orientation room he wasn't expecting to find sexy hazel eyes locked onto him. Eyes of the handsome Detective Leonidis 'Leo' Day. Leo is charming, witty, hilariously sarcastic and the only one that can make Cash smile. He's proud, out and one bad-ass detective. Together Cash and Leo become the most revered and successful narcotics detectives Atlanta's ever seen. Able to communicate and understand each other, without even having to voice it, they quickly climb up the promotional ranks. When Cash saves Leo's life in a raid that turns deadly, Leo begins to see something in the big man that no one else does...something special. But Leo fears he'll never break through the impenetrable wall that protects Cash's heart. Nothing Special takes the reader through various emotions throughout the richly fulfilling plot that's full of erotic gay romance, heartache, passion, trials and tribulations, police action scenes, and an intriguing twist that comes to an amazing ending that's impossible to see coming.
