## **Every Person in New York** Jason Polan

Jason Polan is on a mission to draw every person in New York, from cab drivers to celebrities. He draws people eating at Taco Bell, admiring paintings at the Museum of Modern Art, and sleeping on the subway. With a foreword by Kristen Wiig, *Every Person in New York, Volume 1* collects thousands of Polan's energetic drawings in one chunky book. As full as a phone book and as invigorating as a walk down a bustling New York street, this is a new kind of love letter to a beloved city and the people who live there.
