Real Life Straight Guys having Gay Sex

So, three weeks after my last New York trip, I was back at the Midtown Hilton waiting for Lyle to come to my room, and wondering how the hell I got to this point. I'm 26, considered really handsome, with a lean, muscular body and big cock (almost 8 full inches and thick). What I'm getting at is I've only had two gay experiences in my entire life; those described above. Additionally I've always loved to fuck women. I mean: I think I'm like any other healthy, straight male. So, why am I absolutely obsessed with Lyle. I wake up with a raging hard-on in the middle of the night and I want his big, hard cock in my mouth. Every time I think of him I get turned on, even right after I beat off thinking about him. He's driving me crazy. And I'm straight!

Aren't I?
