Whitefire Fern Michaels

She possesses the courage and beauty of her wild Cossack ancestors. Now Katerina is on a vengeance quest against the marauders who destroyed her village and stole her priceless snow-white horses in the name of the mad czar. Nor will she rest until she has killed the man who dared to take her innocence. Never does she dream that it is her irresistible seducer – a proud Mongol prince – who will help her avenge her people and reclaim her horses. Together, they harness the fires of fury and passion that consume them. And, together, they forge a destiny as magnificent as the land and the love that is their glorious heritage...

From reader reviews:

James Ames:

Book is usually written, printed, or descriptive for everything. You can understand everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading talent was fluently. A book Whitefire will make you to always be smarter. You can feel far more confidence if you can know about everything. But some of you think in which open or reading a book make you bored. It isn't make you fun. Why they could be thought like that? Have you in search of best book or ideal book with you?

Joseph Kidwell:

Exactly why? Because this Whitefire is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book adjacent to it was fantastic author who have write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I have been you I will go to the e-book store hurriedly.

Victor Loy:

Playing with family within a park, coming to see the coastal world or hanging out with friends is thing that usually you will have done when you have spare time, in that case why you don't try matter that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Whitefire, you could enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't get it, oh come on its called reading friends.

John Almanzar:

That e-book can make you to feel relax. This specific book Whitefire was colourful and of course has pictures around. As we know that book Whitefire has many kinds or style. Start from kids until teens. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. Therefore not at all of book are make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading this.
