BIBLE and the "DAYS OF NOAH": Fallen Angels - UFO's and Aliens - What is Next? Myra Cook

If these are, as in the "Days of Noah," what can we expect? In addition, what might surprise us? Some called the fallen angels: Ancient Aliens the Gods (i.e. false gods, myth, and created beings), but the Bible says that they were the Sons of God that fell spiritually, and came down taking-choosing wives, and these women birthed giant hybrid children who were ultimately killed in battle or died in the flood.

Before the Flood, the fallen were bound and imprisoned under the mountains and valleys awaiting the final judgment (i.e. pending). These fallen angels were bound, and the demons that proceeded from the dead bodies of the Giants are coming back once again, but this time repackaged into another covering or body.

They are the so-called Aliens and all their hybrid children of all kinds (animal, bird, insect, and fish) etc. The Bible reveals these Fallen Angel/Aliens as the "Thief in the Night" which society as a whole believe are from other planets or solar systems. The Alien Abductions in the millions and UFOS are a mixture of Angels of Light who shape shift as they please, and Government projects creating advanced spacecraft. The Bible has much to say about this, but we have stopped seeing, hearing, and understanding. If the Fallen Angels are back, and let out after 4,900 years-70 generations written down in the Book of Enoch 1 for the final generation, and consummation of all prophecy, end of sin, and final judgment of the wicked. This release of these eternal beings would explain the advanced technology we have today. Explaining how ancient civilizations were able to build the megalithic structures that still exist today in ruins.

Do not be deceived by what is coming from the northern part of heaven, the abyss, and dimensional portals currently opened by CERN. This book will give you some of those answers to mysteries that are difficult to comprehend, and will open your understanding to what secrets God is revealing to this last generation, and the judgment of these fallen demonic spirits with their hybrid children.

CERN is a recent discovery for another book, but you can research this for yourself through the internet, and YouTube.
