Bounty (Hunted Love Book 2) Aden Lowe

This is Book #2 of the **Hunted Love Series**. Bounty hunter Falon Harris is asked to go after outlaw biker Tom Kellen and tracks him to where he's hiding out in Stags Leap, KY, laying low and waiting for the heat to pass. Rita's Rattlesnake, a busy tavern/grill, seems like the most logical place to watch for Kellen. He doesn't count on watching the owner, Rita James. But Kellen wants Rita and he's not taking no for an answer.

Rita finds the handsome drifter, Falon, utterly fascinating, and despite her preference to not get involved, she soon gives in to her attraction. Will she survive when he moves on?

Can Falon protect the beautiful Rita and catch Kellen? Can he protect his heart from Rita?

About the Hunted Love Series:

What happens when a hunter is blindsided by love? No matter their preferred prey, hunters quickly zero in on what they want and go after it with single-minded determination. When love suddenly hits their radar, they do whatever it takes for a successful hunt. Whatever. It. Takes.

When a legendary predator decides prize horses should be on his menu, Kate takes the advice of her foreman and hires a big game hunter to track the mountain lion and remove the threat. The hunter arrives to take up the trail, but instead of the seasoned older man she expects, he's young and impossibly sexy.

Freshly back from deployment to Afghanistan as a special forces operative, Jakob needs to clear his head of the horrors of war. When his uncle dies, Jakob steps in to hunt down a mountain lion on the other side of the state. The prospect of several days in the wilderness with only his horses and dogs for company sounds like the ideal opportunity. Except the infuriating female rancher insists on going along for the ride.

Jakob and Kate from Big Game continue to explore the possibilities of their attraction, as disaster and violence head their way. A new foe prepares to rain hell down on their heads in the form of an outlaw Motorcycle Club and Kellen, a killer with a grudge against Jakob. Having overheard the plot, Jakob's old Army buddy, Falon, and Rita, from Bounty, race to help, but can they get there in time?

Kellen will do whatever it takes to have his revenge on Jakob and carry out his orders to force Kate into a brand new horror. Will she be able to count on Jakob's love to sustain her in the darkness? When Falon and Rita interfere with Kellen's plans, they become his targets as well, but since they have no value to him, he simply wants them eliminated. Can they trust in their new love to help them get through?
