## **George Romero's Empire of the Dead: Act Two** George Romero

It's zombies vs. vampires vs. an invading militia as the legendary George Romero unleashes the next chapter in his ferocious undead epic! Welcome back to a very different New York City, one that's still standing - barely - years after a world-changing undead plague. Zombies are used for sport in the arena, and vampires rule the city! But now outside forces are knocking on Manhattan's walls, and death rains down from above! What is this new threat to NYC? And what's worse for the city's few remaining normal residents: the roaming flesh-eaters who seem to be growing smarter every day...the ruling blood-suckers struggling to keep their grip on power...or the newly arrived Southern army, bent on pillaging the greatest city in the world?
