I See London I See France Paulita Kincer

When her husband of a dozen years walks out in a huff, Caroline Sommers walks out too - to Europe, with her kids after impulsively selling her minivan for travel money. Tired of being the perfect wife, she escapes to rediscover herself, and possibly rekindle the unrequited love of a Frenchman from her college days. While shepherding her kids from London to Scotland then Paris to Provence, she finds herself at a crossroads. Does she choose love, or lust, in the arms of a European man, or should she try again with the father of her children and the man she truly loved, once?
