Billy Wilder, Movie-Maker: Critical Essays on the Films

Billy Wilder's work remains a masterful combination of incisive social commentary, skilled writing and directing, and unashamed entertainment value. One of Hollywood's foremost emigre filmmakers, Wilder holds a key position in film history via films that represent a complex reflection of his European roots and American cultural influences. This wide-ranging collection of essays by an international group of scholars examines the significance of Wilder's filmmaking from a variety of original perspectives. Engaging with issues of genre, industry, representation and national culture, the volume provides fresh insights into Wilder's films and opens up his work to further exploration.
