“These four young men are my interns; they will be joining us for today’s session.”

The **big black doctors** at the Alternative Health Clinic have new and pioneering therapies for woman suffering from a variety of maladies.

Returning **patient** Rachel has brought her friend Robin to the clinic after her own positive results. Robin is **inexperienced** and socially awkward. It was only at Rachel's recommendation that she agreed to come to the clinic. Robin is attended to by Rachel's previous **big black doctor**, Dr. Washington. With his **interns**, Dr. Washington helps Robin **explore her senses and pleasures** to boost her self esteem.

Since she gave birth, Dawn has had issues with the production of her **sweet cream**. After failing to find a solution in conventional medicine, she turned to the Alternative Health Clinic. The **big black doctors** at the clinic have increased Dawn's production ten fold. Through a special treatment including **directed stimulation**, Dawn has met her goals of production... but has no intention of ending her sessions with the doctors at the clinic.
