The Little Book: A Novel

Selden Edwards

The Little Book: A Novel Selden Edwards

Thirty years in the writing, Selden Edwards' dazzling first novel is an irresistible triumph of the imagination. Wheeler Burden—banking heir, philosopher, student of history, legend's son, rock idol, writer, lover, recluse, half-Jew, and Harvard baseball hero—one day finds himself wandering not in his hometown of San Francisco in 1988 but in a city and time he knows mysteriously well: Vienna, 1897. Before long, Wheeler acquires a mentor in Sigmund Freud, a bitter rival, a powerful crush on a luminous young woman, and encounters everyone from an eight-year-old Adolf Hitler to Mark Twain as well as the young members of his own family. Solving the riddle of Wheeler's dislocation in time will ultimately reveal nothing short of one eccentric family's unrivaled impact upon the course of human history.

Edwards, author of *The Lost Prince*, brilliantly weaves romance, art, history, and culture in this unforgettable and dazzling debut novel.
