The Queen & Di: The Untold Story Ingrid Seward

As the editor of Majesty magazine, Ingrid Seward has developed professional and personal relationships with the royal family. We discover a surprising portrait of the English monarch and the princess, contradicting what the press has previously reported: a fragile Diana battling an unfeeling mother-in-law. We learn that the Queen tried to welcome Diana into the royal family and that Di failed to grasp the hand of friendship. From the princess herself we hear details of what went on between Prince Charles and Camilla Parker Bowles. And we glimpse much more about the inner workings of the extended royal family.

Entertaining and factual, *The Queen & Di* stands apart and above the countless, often inaccurate, accounts published to date about Diana. Ingrid Seward reveals for the first time the true relationship between two important women of the 20th century.
