OVERVIEW of The Scent of Lies:

The Scent of Lies is Book 1 in the Paradise Valley Mystery series. When 28-year-old Emily Parker's dashing private-eye husband is killed, her world is torn apart. In time, she begins to unravel clues that maybe he wasn't who he claimed to be. With the help of her close friends and the new police detective in town, Emily takes over her late husband's business and begins searching for answers to his murder. When another woman's husband turns up dead, Ms. Parker is hired to find the man's killer, putting Emily's own life in danger.

A story overflowing with friendships, murder mystery, romance, and intrigue--think "Sex in the City" meets "Nancy Drew".
